

Apply Access Procedures

Unit Code: UETTDRRF09B

Unit Name: Apply access procedures to work on or near electrical network infrastructure

Status: Current

Descriptor:

This Competency Standard Unit covers the performance of the procedures to gain access for work on or near electrical network infrastructure in the context of transmission, distribution or rail work functions. It encompasses responsibilities for, safety and risk management processes at all operative levels and adherence to safety practices as part of the normal way of doing work.

Entry Requirements: There are no training package requirements for this course, however learners will need to be suitably trained and authorised to operate in this environment, in line with regulatory and network rules. Suitable training could be:

- UETTDRRF01B Apply ESI safety rules, codes of practice and procedures for work on or near electrical apparatus, or
- UETTDREL14A Work safely near live electrical apparatus as a non electrical worker

Experience operating as an “instructed person” would be advantageous.

Duration: Initial – 4.5 hours, Refresher – 2 hours

Location: ESITC or workplace nominated facility

Mode of delivery: Face to face

Participants: Individual and group bookings available

Requirements:

- Basic literacy, numeracy and writing skills are required

Outcome:

- On successful completion of this course, students will be issued with a nationally recognised Statement of Attainment from ESI Training & Consulting Pty Ltd (RTO 45463)

Apply Access Procedures

Other information:

- To successfully complete this training course participants must successfully complete a combination of written and practical assessments to demonstrate the competency requirements of this training course.
- You may be eligible for Recognition of Prior Learning (RPL) and/or Credit Transfers
- Please refer to the 'Student Handbook' for further information regarding our policies and procedures, including complaints, appeals and support. This is available on our website www.esitc.com.au or by request.
- ESITC is responsible for the quality and compliance of the training and assessment in accordance with 'Standards for Registered Training Organisations (RTOs) 2015'
- Attendance at this course does not guarantee:
 - A student will successfully complete the training program
 - A student will obtain a particular employment outcome (which is outside of ESI Training & Consulting's control)
